GreenBlue will be entitled to use the Feedback for any commercial or other purpose whatsoever (including, for example, developing, improving, producing, providing, or marketing products and services) without compensation to Account Holder or any other person sending the Feedback, and GreenBlue will not be under any obligation to tell Account Holder if and how GreenBlue uses the Feedback. The provisions of this Section 15 will, specifically and without limitation, survive the expiration or termination of these ARC Registry Terms. For the avoidance of doubt, any disclosure of any of the following information, regardless of its applicability to the ARC Registry Services, shall not be construed as Feedback: pending patent applications filed by Account Holder, issued patents, or competing products or services of Account Holder.

16. Anonymized Data. Account Holder acknowledges and agrees that GreenBlue may aggregate, anonymize, and/or de-identify Account Holder Data and that such data ("*Anonymized Data*") may be used and disclosed by GreenBlue for statistical, research, development, and other purposes without restriction, during and after the Term.

GreenBlue acknowledges and agrees that Account Holder may own certain Intellectual Property Rights. Except as otherwise specifically and expressly provided herein, nothing in these ARC Registry Terms or the ARC Registry Policies grants Account Holder any right, title, interest, or license in or to any of the GreenBlue IP or the ARC Registry Website IP. 18. Claims of Intellectual Property Infringement.

18.1. Generally. GreenBlue respects the Intellectual Property Rights of others, and GreenBlue expects every person who accesses or uses the ARC Registry Services to do the same. GreenBlue takes claims of infringement of Intellectual Property Rights seriously and reserves the right, in its sole discretion, to block, interrupt, delete, or otherwise remove, disable or restrict access to, or refuse to display or transmit (collectively, “Remove” or “Removing”) any content (including text, photos, graphics, audio, video, and other materials) any Person uploads, posts, sends, submits, transmits, or otherwise transfers to or through the ARC Registry Services (collectively, “User Content”). It is GreenBlue’s policy, in appropriate circumstances, to disable and/or close the ARC Account of a person who is a repeat infringer. Without limiting any of GreenBlue’s rights to take other action described in these ARC Registry Terms, including immediately Removing or modifying Infringing Content (as defined below) without notice, GreenBlue will, within a reasonable period of time following its receipt in writing of a final, non-appealable court order finding that specific User Content infringes a third party’s Intellectual Property Rights (“*Infringing Content*”), Remove or modify such Infringing Content in the jurisdictions to which such order applies.

DMCA-clientnotices@fplegal.com

If a person fails to comply with all of the requirements of Section 512(c)(3) of the DMCA, such person's DMCA Notice may not be effective.

Please be aware that if any person knowingly materially misrepresents that material or activity on the ARC Registry Services is infringing such person's (or another person's) copyright, such person may be held liable for damages (including costs and attorneys' fees) under Section 512(f) of the DMCA.

18.2.2. DMCA Counter-Notification Procedures. If a person believes that the person's User Content was removed or access to it was disabled by mistake or misidentification, that person may file a counter-notification with GreenBlue (a "*DMCA Counter-Notice*") by submitting written notification to the GreenBlue Intellectual Property Agent (identified above). Pursuant to the DMCA, the DMCA Counter-Notice must include substantially the following:

- The person's physical or electronic signature;
- Identification of the material that has been removed or to which access has been disabled and the location at which the material appeared before it was removed or access disabled;

The DMCA allows GreenBlue to restore the removed content if the person filing the original DMCA Notice does not file a court action against the alleged infringer within ten business days of receiving the copy of the DMCA Counter-Notice.

Please be aware that if a person knowingly materially misrepresents that material or activity on the ARC Registry Services was removed or disabled by mistake or misidentification, such person may be held liable for damages (including costs and attorneys' fees) under Section 512(f) of the DMCA.

18.3. Reporting Claims of Other Intellectual Property Infringement. If a person believes any User Content accessible on or through the ARC Registry Services infringes such person's Intellectual Property Rights (other than such person's copyrights, which shall be handled under Section 18.2), that person may request removal of the User Content (or access thereto) from the ARC Registry Website by submitting written notification to the GreenBlue Intellectual Property Agent (designated above). The written notice (an "*Infringement Notice*") must include all of the following:

- The person's physical or electronic signature.

If the person submitting the notice is reporting a claim of trademark infringement, the written notice must identify the exact trademark, service mark, or other mark (and if the mark is anything other than standard characters, the notice must include a copy of the mark), a description of the goods or services for which the person claims to have trademark rights, the registration number and office of registration (if applicable), and a description of the reason why the person believes the User Content ("*Alleged Infringing Content*") causes a likelihood of confusion with or dilution of the person's mark.
- Identification of the Alleged Infringing Content the person believes to be infringing in a sufficiently precise manner to allow GreenBlue to locate it. Adequate information by which GreenBlue can contact the person submitting the notice (such as name, mailing address, telephone number, and, if available, an e-mail address).
- A statement that the person submitting the notice has a good faith belief that use of the Alleged Infringing Content is not authorized by the owner of the Intellectual Property Rights, the owner's agent, or the law.
- A statement that the information in the written notice is accurate.
- A statement, under penalty of perjury, that the person submitting the notice is the owner of the Intellectual Property Rights or is authorized to act on behalf of the owner of the Intellectual Property Rights.

Upon receipt of an Infringement Notice, GreenBlue may act in any manner that GreenBlue deems reasonable and appropriate, including temporarily or permanently Removing the Alleged Infringing Content described in such Infringement Notice. However, GreenBlue will generally endeavor to provide a copy of the Infringing Notice to the person who is responsible for the applicable Alleged Infringing Content (the "*Responsible Party*") and request that such Responsible Party provide a written response to the party alleging infringement (the "*Asserting Party*") or to GreenBlue, in which case GreenBlue will forward

such response to the Asserting Party, together with the Responsible Party's contact information (name, address and e-mail address). If the Responsible Party's response is not satisfactory to the Asserting Party, or the Responsible Party fails to respond within ten (10) business days of the date GreenBlue forwards the Infringement Notice, GreenBlue may disclose, if known, the name, address, e-mail address, and other contact information of such Responsible Party to the Asserting Party, in which case, such Responsible Party and such Asserting Party shall communicate directly to resolve the matters alleged in such Infringement Notice. Thereafter, but without limiting GreenBlue's rights to take any other action that GreenBlue deems appropriate or reasonable (including Removing the Alleged Infringing Content), GreenBlue shall Remove or otherwise act with respect to the Alleged Infringing Content upon a written direction from both the Asserting Party and the Responsible Party or in accordance with Section 18.1 above.

(B) EACH PARTY'S TOTAL LIABILITY FOR ALL CLAIMS ARISING OUT OF, OR RELATING TO, THESE ARC REGISTRY TERMS, THE ARC REGISTRY SERVICES, THE ARC REGISTRY MATERIALS, THE DATA IN THE ARC REGISTRY, THE RECYCLED MATERIAL STANDARD, OR THE USE OF ANY OF THE FOREGOING, REGARDLESS OF THE FORM OF ACTION, WILL BE LIMITED TO THE TOTAL FEES RECEIVED BY GREENBLUE FROM ACCOUNT HOLDER PURSUANT TO THESE ARC REGISTRY TERMS DURING THE TWELVE-MONTH PERIOD IMMEDIATELY PRECEDING THE ALLEGED ACT OR OMISSION GIVING RISE TO THE CLAIM OR CLAIMS ASSERTED BY ACCOUNT HOLDER.

20. Indemnification.

20.1. Account Holder will indemnify and hold the ARC Registry Parties harmless from and against any and all damages, liability, losses, costs, and expenses (including reasonable attorneys' fees and court costs) (collectively, "Losses") which are suffered or incurred by the ARC Registry Parties in connection with any demand, claim, or cause of

action asserted by a third-party, including any government body, authority, or agency (each, a “*Third-Party Claim*”) which arises out of or relates to (a) Account Holder’s (or its Affiliates’ or its Authorized Agent’s) use of any of the ARC Registry Services or the ARC Registry Materials in violation of these ARC Registry Terms or the ARC Registry Policies; (b) any ARCs generated, offered for sale or transfer, sold, transferred or Retired by or on behalf of Account Holders (or any of its Authorized Agents, Authorized Account Managers, Authorized Users, Affiliates and/or Representatives); (c) any of Account Holder’s Projects; (d) any of Account Holder’s Account Holder Data; or (e) any claims or statements made by Account Holder (or any of Account Holder’s Affiliates or Representatives or its Authorized Agent) relating to or based on an ARC. Notwithstanding the foregoing, Account Holder shall not be required to indemnify an ARC Registry Party for any Losses pursuant to this Section 20.1 to the extent that such Losses are caused by such ARC Registry’s Party’s negligence or willful misconduct.

20.2. GreenBlue will indemnify and hold the Account Holder harmless from and against any and all Losses which are suffered or incurred by the Account Holder in connection with any Third-Party Claim which arises out of or relates to (a) GreenBlue’s use of any of the Account Holder’s Account Data in violation of these ARC Registry Terms or the ARC Registry Policies, (b) any claims or statements made by GreenBlue related to Account Holder’s ARCs which are knowingly false or cannot be substantiated, or lead to consumer deception (or the deception of any other third-party); or (c) any allegation that the use of any of the RMS Trademarks in accordance with the provisions of these ARC Registry Terms, infringes, misappropriates, or violates the Intellectual Property Rights or proprietary rights of a third-party

20.3. If either party (the “*Indemnified Party*”) asserts a claim for indemnification under these ARC Registry Terms, it will provide the other Party (the “*Indemnifying Party*”) with prompt written notice of the applicable Third-Party Claim (provided that a failure to provide such notice shall not relieve Indemnifying Party of its indemnification obligations hereunder, except to the extent Indemnifying Party is materially prejudiced thereby). Indemnifying Party shall control the defense of any Third-Party Claim for which it is required to indemnify the Indemnified Party under these ARC Registry Terms (an “*Indemnified Claim*”) at its own cost and with legal counsel of its choice, provided that Indemnifying Party shall not settle any Indemnified Claim without the consent of the Indemnified Party (which shall not be unreasonably withheld) if the terms of such settlement (a) do not include a full release of liability of the Indemnified Party with respect to all claims and causes of actions asserted in or comprising such Indemnified Claim; (b) impose any restrictions or obligations on the Indemnified Party; or (c) admit any fault by, or make any admission adverse to, the Indemnified Party. The Indemnified Party may participate in the defense of an Indemnified Claim at its own cost. If the Indemnifying Party fails to timely defend an Indemnified Claim and/or to provide the Indemnified Party with reasonable assurances that it will defend an Indemnified Claim, the Indemnified Party will have the right to defend such Third-Party Claim and to control the defense thereof, and the Indemnifying Party will, as part of its indemnification obligations with respect to such Third-Party Claim, pay all costs and expenses incurred by the Indemnified Party in defending such Third-Party Claim, including its reasonable attorneys’ fees and court costs. Except when the Indemnifying Party has failed to timely defend an Indemnified

Claim or to provide the Indemnified Party with reasonable assurances that it will defend an Indemnified Claim, the Indemnifying Party will not be liable under any settlement of an Indemnified Claim which is entered into without the Indemnifying Party's prior written consent, which consent will not be unreasonably withheld, conditioned, or delayed.

20.4. Each Party will maintain in full force and effect throughout the Term and for a period of two years thereafter insurance coverage in types and amounts appropriate to the conduct of its businesses and sufficient to support its indemnification obligations hereunder. Upon reasonable request, either Party will provide a copy of the certificate(s) evidencing such insurance to the other Party.

20.5 GreenBlue will comply with all of its obligations under these ARC Registry Terms and any of the documents or policies referenced herein (including the Reference Documents) to the extent that they relate to GreenBlue and will request the other ARC Registry Parties to comply with the ARC Registry Terms and all the documents referenced herein (including the Reference Documents) to the extent that they are applicable to such ARC Registry Parties, provided that GreenBlue will have no obligation to file any lawsuit or pursue litigation against any other ARC Registry Party. GreenBlue will perform its obligations and will request that the ARC Registry Parties perform their obligations with respect to the ARC Registry Services in a manner consistent with the Performance Standard to the extent that such Performance Standard is applicable to GreenBlue or any ARC Registry Party and consistent with the terms of any agreement between GreenBlue and such ARC Registry Party. For the purposes hereof, the "Performance Standard" means commercially reasonable standards of care, diligence, practices, methods, skill, techniques, and standards employed by similarly-situated service providers in the United States in performing work of a similar nature to the ARC Registry Services, including compliance with applicable laws and the most up to date applicable American Institute of CPAs "System and Organization Controls" (or if such standards are discontinued, the applicable replacement standard) (the "SOC Protocols").

21. Governing Law and Dispute Resolution.

21.1. Minor Factual Disputes. The parties agree to seek in good faith to resolve any minor disputes regarding the accuracy of information and other factual disputes through direct negotiation. If the parties are unable to resolve the dispute through negotiation, within thirty (30) days of one party giving the other written notice of the dispute, either party may pursue resolution of the dispute through the courts as specified in this Section 21.

21.2. Governing Law and Interpretation. These ARC Registry Terms will be governed by and construed in accordance with the laws of the Commonwealth of Virginia and the applicable federal laws of the United States, without regard to the conflict of law and choice of law rules or provisions of any jurisdiction. Without limiting the foregoing provision, the parties agree that the Virginia Uniform Computer Information Transactions Act, Virginia Code §§ 59.1-501.1 et seq. ("*UCITA*"), is expressly excluded from these ARC Registry Terms and that any and all terms contained in UCITA will have no force and effect on any portion of these ARC Registry Terms or the ARC Registry Services. If any ambiguity or question of intent or interpretation arises, these ARC Registry Terms will be

construed as if drafted jointly by the parties and no presumptions or burden of proof will arise favoring or disfavoring any party by virtue of authorship of any of the provisions of these ARC Registry Terms. The descriptive headings in these ARC Registry Terms are inserted for convenience only and do not constitute a part of these ARC Registry Terms. The words “include”, “includes”, and “including” are not limiting, the word “or” is not exclusive, and the words “herein”, “hereunder”, and “hereof” refers to these ARC Registry Terms. As used herein, “Dispute” refers to any controversy, disagreement, dispute, cause of action, or claim.

21.3. Remedies. Each party as a Receiving Party acknowledges and agrees that the Disclosing Party’s Confidential Information is unique and valuable, and that use or disclosure in breach of these ARC Registry Terms would likely result in irreparable injury to the Disclosing Party for which monetary damages alone would not be an adequate remedy. Each party further agrees that any misappropriation or misuse of the other party’s Intellectual Property Rights in violation of these ARC Registry Terms would likely result in irreparable injury to the other party for which monetary damages alone would not be an adequate remedy. In the event of a breach or threatened breach by either party of any of the provisions of Section 13 any misuse or misappropriation of the Intellectual Property Rights of the other party in violation of these ARC Registry Terms, or any other breach of these ARC Registry Terms, the non-breaching party will be entitled to seek specific performance and injunctive or other equitable relief as a remedy for any such breach or anticipated breach without the necessity of posting a bond. Either party shall also have the right to seek Any such relief will be in addition to, and not in lieu of, any other relief available to the non-breaching party at law or in equity. The parties retain all rights at law and in equity to enforce the provisions of this Agreement in accordance with applicable law.

21.4. Venue for Judicial Actions. Any and all Disputes arising out of, or relating to, (a) these ARC Registry Terms or the ARC Registry Policies, or the breach thereof by GreenBlue (or any ARC Registry Party) or by Account Holder (or its Affiliates or Representatives or its Authorized Agent), (b) the ARC Registry Services, the ARC Registry Materials, the data in the ARC Registry (or the use of any of the foregoing by Account Holder or any other person), (c) the GreenBlue IP or the ARC Registry Website IP, or (d) any infringement, misappropriation, or violation of the Intellectual Property Rights of any of the ARC Registry Parties will be commenced and maintained only in a state or federal court of competent subject matter jurisdiction situated or located in Albemarle County, Virginia, United States or Charlottesville, Virginia, United States and any appellate court therefrom. EACH PARTY CONSENTS TO THE EXCLUSIVE PERSONAL JURISDICTION OF AND VENUE IN ANY SUCH COURT AND THE APPLICABLE APPELLATE COURTS THEREFROM AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION (INCLUDING WITHOUT LIMITATION ANY OBJECTION BASED ON INCONVENIENT FORUM) WHICH SUCH PARTY MAY NOW OR HEREAFTER HAVE TO VENUE IN ANY SUCH COURT.

21.5. Waiver of Jury Trial. EACH PARTY WAIVES TRIAL BY JURY FOR ALL CLAIMS, CAUSES OF ACTION, AND DISPUTES ARISING OUT OF OR RELATING TO

THESE ARC REGISTRY TERMS OR THE ARC REGISTRY SERVICES AND THE PARTIES CONFIRM THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO THE PARTIES ENTERING INTO THESE ARC REGISTRY TERMS.

21.6. Time Period for Bringing Claims. TO THE FULLEST EXTENT PERMITTED BY LAW: A PARTY MUST COMMENCE OR FILE ANY CLAIM OR ACTION ARISING OUT OF OR RELATING TO (A) THESE ARC REGISTRY TERMS OR THE ARC REGISTRY POLICIES, (B) THE ARC REGISTRY SERVICES, THE ARC REGISTRY MATERIALS, OR THE DATA IN THE ARC REGISTRY (OR THE USE OF ANY OF THE FOREGOING BY ACCOUNT HOLDER OR ANY OTHER PERSON), (C) THE GREENBLUE IP OR THE ARC REGISTRY WEBSITE IP, OR (D) THE PERFORMANCE OR NON-PERFORMANCE BY A PARTY OF ANY OF ITS OBLIGATIONS UNDER THESE ARC REGISTRY TERMS WITHIN TWO (2) YEARS AFTER THE CAUSE OF ACTION ACCRUES (OR THE APPLICABLE STATUTE OF LIMITATIONS, WHICHEVER IS SHORTER), OTHERWISE, SUCH CLAIM OR CAUSE OF ACTION IS PERMANENTLY BARRED. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY EXPRESSLY WAIVES THE RIGHT TO COMMENCE, FILE, OR MAINTAIN ANY SUCH CLAIM OR ACTION UNDER ANY LONGER STATUTE OF LIMITATIONS.

22. General Provisions.

22.1. Relationship Between the Parties. Nothing in these ARC Registry Terms will be construed as creating any partnership, joint venture, employment relationship, or agency relationship in any way between GreenBlue and Account Holder. Neither GreenBlue nor Account Holder will have apparent or actual authority to bind the other party to any debt, contract, or other arrangement, and neither party will be deemed a Representative of the other party.

22.2. Due Authorization. Each party represents, warrants and agrees that the execution and performance of these ARC Registry Terms have been duly approved by all necessary action, corporate or otherwise, and are not in violation of any other agreement such party has with any third parties; and that these ARC Registry Terms are a valid binding, legal obligation of each party, enforceable in accordance with its terms.

22.3. Further Assurances. Each party agrees that it will execute, acknowledge, and deliver all such further documents, and take such further action, as may be reasonably required to carry out and consummate the transactions contemplated by these ARC Registry Terms.

All notices provided in connection with these ARC Registry Terms will be in writing and delivered to Account Holder, GreenBlue, and the Registry Administrator as follows: (a) Notices to Account Holder will be delivered to the mailing address or e-mail address set forth in the ARC Registry Application or included in Account Holder's Account Information, and (b) Notices to GreenBlue and the Registry Administrator will be delivered to the following mailing addresses or e-mail addresses:

Each party will notify the other of any change of mailing address or e-mail address by written notice to the other party delivered as provided herein. Notices provided in connection with these ARC Registry Terms will be deemed received (i) upon delivery, when delivered in person or by commercially receipted courier; (ii) upon the date sent by e-mail, if delivery is confirmed; or (iii) seven (7) days after deposit with the U.S. Postal Service by registered or certified mail. This paragraph does not apply to legal service of process, which instead will be governed by applicable law.

22.5. Uncontrollable Conditions. Neither party will be deemed in violation of these ARC Registry Terms if it is prevented from performing any of its obligations under these ARC Registry Terms (other than the obligations under Sections 5, 7, 8, 10, 12, 13, 17, and 20) by reason of any of the following (each, a "*Force Majeure Event*"): acts of God; fire, earthquake, tsunami, volcanic eruption, windstorm (including tornado or hurricane), or other natural disasters; epidemics, pandemics, or other outbreaks of disease; war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest, or explosion; government order or law; actions, embargoes or blockades; action by any governmental entity or authority; national, state, or local emergency; strikes, labor stoppages or slowdowns or other industrial disturbances; shortage of adequate utility services or transportation facilities; any other events or circumstances which are not within its reasonable control. The provisions of this Section 22.5 apply to any Force Majeure Event, whether in effect as of the Acceptance Date or occurring at any time thereafter, and regardless of whether such Force Majeure Event was known or was foreseeable on the Acceptance Date.

22.6. Non-Waiver. No waiver of any term or condition of these ARC Registry Terms by any party will be deemed a continuing or further waiver of the same term or condition or a waiver of any other term or condition of these ARC Registry Terms.

22.7. Severability. In the event that any provision of these ARC Registry Terms is finally determined by a court of competent jurisdiction to be void, unenforceable, invalid, or otherwise contrary to law or equity, the parties agree to reform (or as necessary, authorize such tribunal to reform) these ARC Registry Terms to the extent necessary to cure (or if necessary, delete) such provision, and that the remainder of these ARC Registry Terms that can be given effect without the benefit of such provision will be given effect.

22.8. Assignment; Binding Effect. These ARC Registry Terms are personal to Account Holder. Neither these ARC Registry Terms nor any of Account Holder's rights or obligations will be sold, transferred, delegated, or assigned by Account Holder without the prior written consent of GreenBlue, and any attempt to do so without such consent will be void *ab initio*, and no rights will devolve by operation of law or otherwise upon any assignee, receiver, liquidator, trustee, or other party. Any permitted assignee of Account Holder will assume all obligations of Account Holder under these ARC Registry Terms. Unless specifically contemplated in this Agreement or with Account Holder's prior written consent (which shall not be unreasonably withheld), GreenBlue may not sell, transfer, delegate or assign any of all its rights or obligations under these ARC Registry Terms. Subject to the foregoing, these ARC Registry Terms will be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns, and legal representatives.

22.9. Third-Party Beneficiaries. Nothing in these ARC Registry Terms is intended, nor will be deemed, to confer any rights or remedies upon any person or legal entity other than Account Holder, GreenBlue and the other ARC Registry Parties.

22.10. Entire Agreement. These ARC Registry Terms and the ARC Registry Policies contain the entire agreement and understanding of the parties to these ARC Registry Terms with respect to the transactions contemplated herein; and these ARC Registry Terms and the ARC Registry Policies supersede all prior understandings and agreements of the parties with respect to the subject matter hereof. There are no oral or written representations, agreements, arrangements, or understandings between the parties hereto relating to the subject matter of these ARC Registry Terms that are not fully expressed herein.

23. Survival. Any termination, cancellation, or expiration of these ARC Registry Terms notwithstanding, Sections 3.3, 7.2, 7.6, 8.3, 9.2, 10, 12, 13, 14, 15, 17, 19, 20, 21, and 22, and any provisions which are by their terms intended to survive and continue, will survive and continue.
